

# Hesston Public Library News

January 2010

## Open House on Jan. 14

The Library Board and staff invite you to an Open House from 6 to 8 p.m. Jan. 14 at the library. The open house will honor Chris Buller for her 20 years of service as library director and provide an opportunity to meet the new director, Cari Cusick. Refreshments will be served.

Also, attendees will have a chance to look at plans for our new library, which should open in early fall of 2010. It's an exciting time!

## Used books for sale

Don't forget we offer used books for sale. Hardcover or prior bestsellers are available on a cart by the circulation desk. Other titles are available in the community room. We also welcome donations of books in good shape for our used book sale. Proceeds benefit the library!

## New faces on the board

Bob Latta and Phil Schmidt are the newest members of the Hesston Public Library Board of Trustees. They were appointed for four-year terms.

We wish to thank outgoing trustees John Wright and Cindy Mason for their service to the library!
